Increased Wearability

Blue-Line poly/cotton offers the latest technology in string knit performance.

The special blended material and weave enhances the performance, and provides user comfort for all day wearability. This dynamic mix of poly/cotton fibre provides extra durability for the toughest applications

Maximize your Profits

Blue-Line gloves offer a simple and effective way to decrease expenses without reducing productivity or quality. That's because it combines superior tactility, and dexterity in a comfortable glove your workers are more likely to wear.
